Management Strategies"
brochure for the
relief of Hot Flashes¹**

Effective hormone-free hot flash relief!*

Peridin-C® Vitamin C Supplement, a unique combination of Hesperidin Complex and Hesperidin Methyl Chalcone (bioflavonoids) along with ascorbic acid, has been shown to be effective in relieving hot flashes.* In one clinical study, 94 menopausal women with hot flashes were given 6 Peridin-C tablets daily. After 1 month, symptoms of hot flashes were completely relieved in 53 percent and reduced in 35 percent of the women.²
